**SARAH NETBURN, United States Magistrate Judge:**

On August 20, 2020, the parties appeared for a telephonic discovery conference. As discussed at the conference, the following deadlines will apply in this case:

**Discovery.** The deadline to complete fact discovery is extended to November 13, 2020. Plaintiff shall produce the specific discovery ordered at the conference by August 28, 2020. The parties are directed to meet and confer regarding other internal discovery deadlines. The deadline to complete expert discovery is not affected by this order.

**Attorneys' Eyes Only Protocol.** The parties shall file the attorneys' eyes only protocol by August 28, 2020.

**Settlement Conference.** In light of the Court's busy calendar, settlement conferences must generally be scheduled at least six to eight weeks in advance. The Court will likely be unable to accommodate last-minute requests for settlement conferences, and the parties should not anticipate that litigation deadlines will be adjourned in response to late requests for settlement conferences. Accordingly, the parties are encouraged to contact Courtroom Deputy

Rachel Slusher at Rachel\_Slusher@nysd.uscourts.gov to schedule a settlement conference for a time when they believe it would be productive.

**SO ORDERED.**
